

# PRAYER LIST

## June 3rd, 2026

### MISSIONARY CALENDAR OF PRAYER:

**IMB:** Central Asian Peoples – Any healthy church must be committed to taking the Good News to those who still have not heard. Please pray all local churches in Central Asia will be praying for the lost, sharing the Gospel, and sending laborers to unreached people and places.

**NAMB:** Saleem and Rahisha Wright; Church Planter in Montgomeryville, PA; Pray for the Lord to send laborers ready to be equipped to go into the harvest of the Norristown area.

#### **Unreached People Group (less than 2% Christian):**

Pray for the Domal; Country: India and Pakistan; Population: 21,700; Religion: Sunni Muslims; Violence is common between villages. Living entirely among Sunni Muslims, they have no exposure to Christian examples and little chance to hear the Gospel. Pray for Gospel workers to catch a vision for reaching the Muslim Domal for Jesus and that in God’s sovereign timing hearts would be open and ready to follow Him.
