PASTOR’S COLUMN: MAY 2023

“The humble will eat and be satisfied; those who seek the LORD will praise Him.” (Psalm 22:26)

Have you ever had times in your life when you felt far from God? Even worse, have you had times when you lacked even the desire to spend time with God? Or times when you lacked motivation to serve and obey Him? If you are like me, you can answer each of these questions in the affirmative. Our spiritual lives tend to ebb and flow. During the fruitful seasons, nothing is more satisfying or exhilarating than time spent with God. Amidst the dry seasons, time spent with God can feel forced and obedience to Him can feel burdensome.

So what are we to do with such a dilemma? What are we to do when we find ourselves amidst a dry season spiritually? Psalm 22:26 reveals two key realities that must be present within our life if we hope to experience new life spiritually and climb out of the depths of the valley.

Humble Hunger. Psalm 22:26 promises satisfaction for those who go to the Lord with a humble hunger for Him, His Word, and His will. Has it been a while since you’ve been satisfied by the Lord? Beg Him to produce within you a humble hunger and let that hunger lead you to Him to be fed.

Passionate Pursuit. Psalm 22:26 promises praise for those who passionately pursue the Lord. If you commit to passionately pursuing the Lord, your pursuit will culminate in praise and worship. Has it been too long since you’ve truly worshipped and praised the Lord? Does your praise almost feel forced at times? The answer is a renewed fervor in your pursuit of God. Pursue the Lord with all your heart, and He will produce praise within you.

In Christ,
Pastor Luke
