

1. Welcome to your third week of group. Take a couple of minutes to talk about what is going well and what can be improved. Be honest. This is the only way your group will get better. *Group leaders, be sure to lead by example.
2. The main question of the sermon was, “Do I have a spiritual gift?” Why is the subject of spiritual gifts so complicated? Nathan answered the main question early in the message, “If you are a Christian, Yes!” Re-read 1 Corinthians 12:7,11, and 1 Peter 4:10. In what ways do these verses and Nathan’s answer help to simplify the subject?
3. If you had a super power, what would it be? We can tend to think of spiritual gifts as superpowers which allow us to do amazing things. However, Nathan mentioned that spiritual gifts can be natural abilities, learned abilities, and talents. How does this change the way you think about spiritual gifts?
Have each group member take five minutes to make a list for each category:
 - Natural abilities: _____
 - Learned abilities: _____
 - Talents: _____
4. “Every Christian has an ability that CAN be empowered by the Holy Spirit and used in the life of the church.” Why is the “can” so important? Look back at the lists you made in question three. As a group, brainstorm how some of these can be used to build up the church.
5. How do you discover your spiritual gift? (1) Study the spiritual gifts, (2) See the needs and opportunity for ministry at BCC, (3) Do some self-assessment, (4) ask others to share what they see in you, (5) remember to pray and ask God to help you to discover your gift. Which of these have you done in the past? What happened? Which will you commit to doing in the next nine weeks? Why does this one stand out to you?
