

Congregational Priorities

This worksheet is filled out by both candidates and congregations to be used in the search process. It is designed to identify the needs and priorities of the congregation and the priorities and vision of pastoral candidates. The questions are categorized using Mennonite Church USA and Mennonite Church Canada information. The Search committee will consolidate data and place it with the congregation's profile which is available to all candidates.

Focus on what your needs and priorities are for the pastor you are seeking to hire and how you would like them to use their time and energy.
