BIBLE STUDIES For LIFE®

LEVEL OF BIBLICAL LEARNING

God created people in His image.

THE BIBLE MEETS LIFE

Parents, your preteen heard that Adam and Eve sinned and changed God's creation. Even though their choice resulted in punishment, God still loved them. Every day you and your family make choices, and sometimes you and your family make wrong choices. Remember that God's love never changes and never ends.

LIVE IT OUT

Review the Bible story with your preteen. If your child is younger, you may need to help him understand that sin is not doing what God says. All kids can understand wrong and right choices. Remind your preteen that wrong choices always have consequences, but God still loves him.

ADAM AND EVE SINNED

GENESIS 3

One day a serpent approached Eve and asked, "Did God really say, 'You can't eat from any tree in the garden?'"

Eve corrected the serpent: "We may eat fruit from any tree except one in the middle of the garden. God said, 'You must not touch or eat that fruit, or you will die.'"

The serpent told Eve, "You won't die! In fact, God knows that when you eat it, you will be like Him, knowing good and evil."

Eve looked at the wonderful fruit on the tree. She remembered that the serpent said the fruit would make her wise. Eve took some of the fruit and ate it. She gave some to Adam, and he ate it, too.

Immediately, Adam and Eve realized what they had done. They tried to cover themselves and hide from God.

That evening, God called out to Adam. "Where are you? Did you eat from the tree I commanded you not to?"

Adam said, "The woman You gave me—she gave me some fruit from the tree, and I ate it."

Eve said, "The serpent tricked me, and I ate it."

God told the serpent, "Because you have done this, you are cursed more than any other animal. You will move on your belly and eat dust." Then God told Eve, "You will have pain when you have a baby." God told Adam, "You must work hard to grow your food now, and one day you will die."

God made Adam and Eve leave the garden.
