Pastor's Point

This month, Palmetto Baptist Church welcomes Damon Skelton to serve as our new Traditional Worship Leader. Damon and his wife, Lisa, and son, Skylar, will join us on Sunday, February 18th, the same day Damon will begin leading our 9 a.m. worship service. Damon attended Haltom High School, in Fort Worth, Texas. He received a Bachelor's Degree in Music Education/Performance from Texas Wesleyan College, also in Fort Worth. He received a Master's Degree in Math Education from Piedmont College, in Demorest, Georgia.

Damon has served as the music minister at Unity Baptist Church, Newnan; Sunrise Baptist Church, Newnan; First Baptist Church, Senoia; and for the past six years, Damon has served Sharpsburg Baptist Church, in nearby Sharpsburg.

In addition to leading worship, Damon and Lisa are educators with the Coweta County Board of Education. Lisa has been with the Board of Education for almost 30 years, and teaches chemistry and coaches girls softball at Northgate High School. Damon also teaches at Northgate High School, and has taught math for 25 years.

The Skeltons have three children: Forrest, who lives with her husband and child in Alaska; Jared, who lives in Florida; and Skylar, who lives at home.

We are super excited to welcome the Skeltons to PBC, and eagerly look forward to having Damon Skelton lead our traditional worship for many years to come!

Mike Exner Interim Traditional Worship Leader

"OK, Jill, that's 9 points for the triple letter score, giving me a total of 17 points for the word 'factual.' That now gives me 229, only 4 points behind you!"

During one of the recent snow days, we were playing Scrabble in front of the fireplace, watching school closings on TV. I was pretty happy to be doing so well at this game. Just 2 tiles left to pick up, and I'm looking for the big finish; I've saved my "X" to pull ahead by spelling "FOX" for 15 points. It's now Jill's turn to play, and she gives me That Look. Let me stop here and say that being an English teacher for 30 plus years and having a vocabulary far exceeding mine, she is in her element. She slowly, carefully plays the word "KEX." . . . On my "X"!

"What's that? It can't be a word!" I challenge.

Silently, Jill hands me the official dictionary, and I find the definition: *the dry, usually hollow stem or stalk of various plants, especially of large plants belonging to the parsley family.* Jill racks up 55 points, using a triple word score, plus spelling two additional words. Yes, she blew me out of the water. That's OK. I can beat her easily in chess, horse shoes and ping pong. We both have our strong points, and I'm glad we're not just alike.

I think of all the people in our church who have special talents: Don can make beautiful bowls out of wood; Peggy uses sign language to communicate with those who can't hear well; Sara makes the best pickles in the world! Morgan can organize a systematic distribution in the food pantry. And there are so many others who have different abilities that we can use together.

Who remembers this hymn

Hear ye the Master's call,
"Give Me thy best!
For, be it great or small, That is His test!
Do then the best you can, Not for reward,
Not for the praise of man But for the Lord.
Every work for Jesus will be blest,
But He asks from everyone his best.
Our talents may be few, These may be small,
But unto Him is due Our best, our all!

Thank you, God, for making us all different so that we can work for His glory!

Mike

Say that again

Try as we might to enunciate as we teach kids about the bible; what we say and what they hear are often a little different. Those differences make for some humorous statements. The statements below were found on multiple sites. I hope they tickle your funny bone! **(Spelling errors are left as the children wrote them.)**

In the first book of the bible, Guinnessis, God got tired of creating the world, so he took the Sabbath off.

Noah's wife was called Joan of Ark.

Noah built an ark which the animals come on to in pears.

Lot's wife was a pillar of salt by day, but a ball of fire by night.

Samson slayed the Philistines with the axe of the Apostles.

Moses led the Hebrews to the Red Sea, where they made unleavened bread, which is bread without any ingredients.

Moses died before he ever reached Canada. Then Joshua led the Hebrews in the battle of Geritol.

The greatest miracle in the Bible is when Joshua told his son to stand still and he obeyed him.

David was a Hebrew king skilled at playing the liar. He fought with the Finklesteins, a race of people who lived in Biblical times.

It was a miracle when Jesus rose from the dead and managed to get the tombstone off the entrance.

The people who followed the lord were called the 12 decibels.

One of the opossums was St. Matthew who was also a taxi man.

Christians have only one spouse. This is called monotony.

Upward Basketball/ Cheerleading

Upward Basketball and Cheerleading are going full force right now at PBC! Our game days begin every Saturday at 9:00 a.m. and the last game is at 5:00 p.m.. We would love for you to come out to support these children and our volunteers.

We have over 250 participants this season! What a blessing!! Upward Basketball and Cheerleading are the biggest outreach program we have at PBC.

Many of our players did not list a church home on their registration form. We have great opportunities to witness to them through devotions, teaching their children the basics of basketball and cheerleading, good sportsmanship, and most importantly, teaching them about Christ! We would love for these families to join our family at PBC.

If you are interested in giving a devotion or volunteering your time, we would greatly appreciate it! A special "Thank you" to all the volunteers we have who help make this program a success! We couldn't do it without you!

³ I thank my God every time I remember you. ⁴ In all my prayers for all of you, I always pray with joy.

Jason McDaniel PBC Student Minister

February is already here. Can you believe that? This means the New Year is in full swing. The PBC Student Ministry wrapped up the month of January by taking 43 middle and high school students and adult chaperones to Pigeon Forge, TN to attend the SDEA *Strength to Stand Conference*. The group had a great time listening to great speakers, bands and even getting to go to the Alpine Coaster.

In the month of February, the PBC Student Ministry continues to allow the students opportunities to be involved. On February 3rd, the students will be attending *WinterJam* at Philips Arena. Then on Valentine's Day, the PBC Students, along with the PBC Kid's Ministry, will visit the residents of Baptist Manor.

Also, coming up in the month of March is DNow Weekend. The date for this event is March 16th-18th. It will be a great weekend of bonding, worship and discipleship. The PBC Student Ministry is in need of host homes for this event. A host home is a home where students stay during the event. The host home cooks breakfast along with supplying snacks for the students when they return from the nightly sessions. If you would like to open your home for the students during DNow, contact Jason McDaniel, the PBC Minister of Students.

If you need more information on the PBC Student Ministry please contact Jason McDaniel, the PBC Minister of Students at 770-463-4642 or randall.j.mcdaniel@gmail.com
