## Pastor's Point

### WEEKDAY PRESCHOOL DIRECTOR

Jamie Farr, our Weekday Preschool Director, will be leaving our preschool at the end of July. Jamie has accepted a teaching position at Trinity Christian School.

She has served our preschool for the past nine years and has done a phenomenal job. I sure hate seeing her go, but this move will be a good one for her and her family.

Jamie, Scott, Reagan, and Jackson will continue to attend PBC. I love and appreciate the Farr family so much! The search for a new weekday preschool director is underway.

### MINISTER TO SENIOR ADULTS

We are currently searching for a part-time Minister for our Senior Adults. Our search committee has met and is already considering a very qualified candidate. Stay tuned!

### PBC LOAN BALANCE REDUCTION

This month, the balance on our loan will go under the one million mark, down from the original loan amount of \$1.45 million. Paying off almost \$5 million in just over two years is a great achievement.

Thank you to everyone who has given and continues to give to our Thrive Capital Campaign so that we can pay off this loan as soon as possible. The sooner we pay this note off, the faster we can begin the next phase of our master plan, the construction of a two-story children's wing!

### 504 CENTER STREET BUILDING

Over the past month, we have had two different potential buyers looking at our 504 Center Street facility. We have also had inquiries from potential renters.

Our current renters, Southwest Christian Church, will be vacating our old facility this month as they have finished the construction of their new worship center five miles south of us. We congratulate Southwest Church and their pastor Craig Kingston on the completion of their new building, and appreciate them for partnering with us for the past two years.

### CONGRATULATIONS TO THE MCDANIELS

I want to congratulate RJ and Michelle McDaniel on the adoption of their daughter, Maryanne. I know RJ and Michelle will make wonderful parents to this precious girl.

Thanks also to everyone who has prayed and given so generously to help make this adoption a reality.

I LOVE PBC!

Go Get'Em

Jimmy O

## Clay Coley Contemporary Worship Leader

Do you ever wish you had irresistible wisdom? To be able to speak words that people listen to? Have you ever wanted to be able to discuss your beliefs but can't come up with the words? Has someone ever argued with you about your faith and you couldn't come up with anything to defend yourself? If you are a person, who has a hard time responding to people it can be challenging to share your faith. These are common feelings among many Christians today. In the last days, we won't have to worry about coming up with the words because the Holy Spirit will give them to us.

### Luke 21:14-15

But make up your mind not to worry beforehand how you will defend yourselves. For I will give you words and wisdom that none of your adversaries will be able to resist or contradict.

### He Gives Us the Words

In the end times, there will be great persecution of the church. It will happen because the darkness of this world hates the light of Jesus Christ. It will be so severe that our own families will oppose us and we will be dragged off to jail. Jesus tells us not to worry about how we will defend ourselves; He will give us the words. The words will be so powerful that our adversaries, that our enemies, will not be able to resist or contradict them.

### The Last Days

Thinking about difficulties like this make us uncomfortable but it is an essential reminder of what will happen before Jesus returns. The Devil prowls around like a lion looking for whom he can devour. It is easy to see that this is already happening. Look at the headline news. Churches are being set on fire, people are being executed because they left their former faith to follow Jesus, and governments are writing laws where telling people about Jesus is considered Hate Speech. In the last days, which Jesus called birth pains, there will be events like this happening. Jesus is coming soon.

Be Ready!

Happy & Sad – All at the Same Time

This morning I had the privilege of watching our weekday preschool in their end of the school year program. It is truly amazing to watch just how much four, three and even two year olds can learn and do! I vividly recall the very first end of year program since my girls were in that first year of school at PBC! Did you know that the very first year of weekday preschool at PBC was the 1989-1990 school year? We have had a wonderful program for many years and hope to continue for many more! Kids love it here. They love music, play time and learning all types of new things as they explore in age appropriate settings with teachers who love God and share that love with them. It's such a happy place!

But now the sad part – our weekday preschool director, Jamie Farr, is leaving the preschool! Jamie has been a staff member of the preschool for nine years, six of which she spent serving as the director. She and her staff have made our preschool one of the most sought-after programs in our area. Jamie will be joining the staff of Trinity Christian School, where her children attend, and will be a wonderful asset to them. But she leaves a big void to be filled! Please be in prayer as the Preschool Committee works hard to ensure the right person for the job is in place within the next two months. As sad as I am that Jamie is leaving her position with the preschool, I am excited that she and her family remain an integral part of the family here at PBC. She is a very important member of the PBC Kids Sunday morning leaders!

## Jamie Farr Preschool Director

The Weekday Preschool just wrapped up another successful year. We were blessed with amazing students this year who grew academically, socially, physically, and spiritually. The teachers and I are so proud of all they accomplished this year. Our end-of-year program, on May 16<sup>th</sup>, was a true highlight of the year. We are excited that so many of our students will be returning next year, and we will be getting many new faces. We can't wait to see what God has in store for our preschool next school year.

It has been a pleasure serving the past 9 years as a preschool teacher and then as the director of our preschool. I have learned and grown so much in my time working here. I have formed many friendships with our staff, students and their families. I will miss serving as the director tremendously, but I am confident that God already has someone chosen to lead it with excellence. I am looking forward to starting a new chapter in my life working at Trinity Christian School. I will continue to pray for the success of Palmetto Baptist Preschool.

## Jason McDaniel PBC Student Minister

It is hard to believe that another school year is complete. Now summer time begins and with that being said that means many opportunities are being planned for the PBC Student Ministry such as Beach Retreat, VBS, Church Mission Trip, Six Flags...oh yeah...and Bible Study.

It is never easy to plan summer ministry opportunities for students, especially with students being involved with family vacations, sports camps, and other summer activities, but it doesn't mean that the PBC Student Ministry stops during the summer. One way that we will continue to accomplish outreach to the students while also trying to disciple them is by continuing Momentum. Momentum is our Wednesday Night Youth Service at 6:30 PM that consists of worship conducted by the Youth Praise Team, games, and a relevant Biblical message that engages topics youth face today.

The PBC Student Ministry will also continue to provide students times for fun and fellowship during the summer. So if you have a student or are a student who is in grades 6<sup>th</sup>-12<sup>th</sup>, please come and check out the Student Ministry of Palmetto Baptist Church.
