Wednesday, March 21- NO AWANA (Spring Break)

How do I know if there is AWANA during bad weather?

If the Winfield school district has canceled for the day, we will not hold AWANA that night. If the weather looks questionable, a decision will be made by 4:00 p.m. Your best option then is to check TV channel closings or listen to the local radio station, or call the church office for information. If AWANA is canceled, we will also strive to post it on our website www.winfieldcbf.org and Facebook page.
