

CHILDREN'S MINISTRY

DECEMBER – JANUARY

You won't want to miss our upcoming...

CHILDREN'S CHRISTMAS PROGRAM:

"A COVID CHRISTMAS"
SUNDAY, DECEMBER 20TH

AT 10:30 A.M

"A Covid Christmas" is a musical play that takes place in a family home where they are preparing to celebrate Christmas by decorating the living room and Christmas tree. A conversation ensues about all the events over the last year. What they don't realize is how 'Rona is influencing their thoughts and feelings. 'Rona is like a dark cloud that is still lingering, trying to steal everyone's joy and replace it with fear and hopelessness. However, the truth of God's Word rings victorious and gives hope, as well as 2020 vision, for the future.

So, come and support our kids and enjoy this wonderful musical depicting the truth of Christmas and our hope for the future.

Merry Christmas and Happy New Year

This time of year is my favorite time of year, but for many it is also a very depressing time of year. What should bring joy brings heartache. I know this year has proven to be very depressing for many people around the world. There has been a lot of job loss, death, and also the loss of faith. Make sure that you are spreading love and the Word of God. There are so many that need the hope of our Savior Jesus Christ. Around this time of year people usually indulge in the logistics of Christmas and we tend to overspend, overeat, materialize, and we get lost in the busyness. It robs us of our peace and joy and it robs Jesus of his rightful role as the center of our celebrations! I hope you can take the needed time to relax and refocus on Jesus, finding peace and comfort in the truth of Christmas: His coming to be born in the manger to die on the cross for our sins and look forward to His return! Thank you Jesus! -- LaTonya
