Children's Church is for three-year old's through third grade. It is held weekly during the sermon time of our worship service that begins at 10:30AM. Children's church includes age-appropriate lessons and activities. See the 'Take Home Page' for families to discuss together following the service. A nursery is available for children under the age of 3 years old.

Christmas Program

Hello everyone! This year I will not be leading the Children's Christmas Program. As far as numbers go, I don't see that I will have enough kids interested in being in the program to have one this year. Most of our kids are older now and work in the evenings.

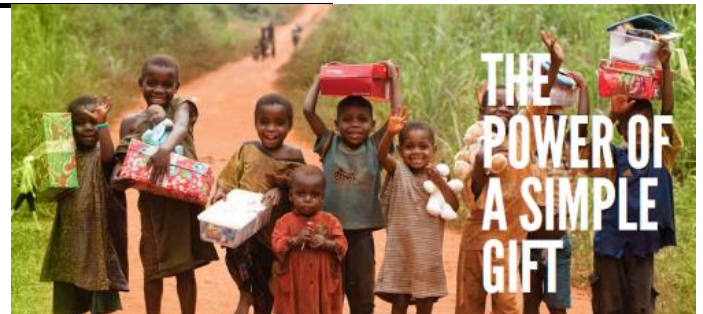

If you are interested in trying to put something together, I would be happy to talk with you about it and encourage you to do that. It is very moving to deliver the "Good News!" through a program with the kids involved! God Bless!

We will be collecting shoe boxes again this year!

Get an information brochure in the foyer and shoe boxes too! These will be available later in October. Then plan to bring the filled boxes to church by Sunday, November 17th.

Ministry Opportunities!

We currently have many wonderful opportunities: We need Nursery attendants for once a quarter. AWANA leaders Wednesday evenings during the school year and assistants for Children's Church. Please pray about these and talk with Pastor Scott, or Chris Edgington about AWANA, or mark your registration slip in your bulletin to show your interest to help. Thank you to all of you currently volunteering in the Children's Ministry!
