

## AWANA NEWSLETTER

Another AWANA year is over. What a great year it was! A big thank you to all the clubbers and leaders!

Congratulations to each of the club members who participated in the Grand Prix. We were not the fastest, but some kids brought home an award for design.

Well Done to the club members who worked so hard and completed their handbooks this year. I know there were several who earned book awards.

We pray that you will continue to remember and apply God's Word to your daily life.

Soon it will be time to begin planning for another AWANA year which will begin on SEPTEMBER 4, 2019. Club members going into Kindergarten, third, fifth, or seventh grade will move up to the next club.

We will be working through the Fourth Book called Discovery of Grace.

For the AWANA Leaders: The Awana Leadership Conference will be on August 17<sup>th</sup> at MorningStar Community Church in Wichita, KS. Other details will come later.

Enjoy the break. Refresh and be ready to meet again in September.

Blessings to you all for a safe and relaxing summer, meditating on God's true and eternal Word!
