LOVE IN ACTION

During the month of October, you provided a four day food supply to over 200 people.

Just under 200 elementary age children were provided with snacks for weekends. These are children who would be hungry when not at school and having free meals.

You have given funds for partial payments of utility bills and rent. You have also given gas money to medical appointments and helped families who are ill to catch up on bills. You gave funds for a community cookout for some of the least in our area.

Your giving brings light to a dark world for many of our community. Thank you for allowing Love In Action the opportunity to reach our community and proclaim the name of Jesus.
