### **COURAGE TO CHANGE**

Janice Farnsworth did a great job at the Courage to Change meeting Thursday May 17. She told her story of how a child from a dysfunctional family with an alcoholic father who was violent and abusive to her mother became an advocate for men and women who wish to recover from alcohol and or drug addiction. Janice left home at age 18 to find a better life only to find herself in worse circumstances after marrying an alcoholic husband who threatened her physically. When she tried to escape from the life of torment and flee to Florida he would find her through tracking the children's school records. After finally being able to obtain a quick divorce in West Virginia she was able to get a degree in cosmetology and open a business. Janice has received recognition in two Who's Who for women, a recognition for her poetry and among other awards an award for grandmother of the year in West Virginia. Janice is an inspiration for those who are in dysfunctional families and or abusive relationships. She has dedicated her life to helping those with addiction. She is a member of the Lynn Street Church of Christ and co-leader of the Celebrate Recovery Program.

### **LOVE IN ACTION**

A special shout out to Janet Smith and Kim Ward for helping so many times with the deliveries of several cases of food from Logan. This week Carolyn Sturm helped in their absence and it is quite the job! This week alone 3500 pounds of food were moved and placed on shelves, etc. Our continued to thanks to all our volunteers. Together we do make a difference! " Ministry sounds intimidating until we develop a realistic view of what ministry is really all about. Do we know people who struggle with sin? Do we know people who are carrying huge burdens? If so, then our first steps towards ministry are easy! We simply help them!" - Francis Chan
