### COURAGE TO CHANGE

We are so sorry so many of you did not take the opportunity to meet and get to know Heidi Skinner a member of the Belpre Church of Christ family. Heidi was the guest speaker for the Courage to Change meeting Thursday, April 19. Heidi told of where she was from and her introduction to Parkersburg, and Vienna, WV, Belpre, OH and the Belpre Church of Christ. Heidi came to our area to attend Ohio Valley University in 2006. She came with two of her friends and enrolled in the university's business department. After several semesters and not doing so well in the accounting aspect of the field, she decided to seek a different major. Her friends had left, but Heidi didn't want to leave the university and the Belpre church. She contemplated a degree in teaching, or Bible, but neither appealed to her so she selected psychology. Heidi graduated from the university with her degree in psychology in 2011. She currently is employed at L&P Services in Marietta. She initially didn't think she had much compassion or empathy for those who had chosen a path of alcohol and or drugs, but God had a different plan for her and she has discovered He has put her in a position to understand people who are suffering with addictions.

### LOVE IN ACTION

What a wonderful God we have-he is the Father of our Lord Jesus Christ, the source of every mercy, and the one who so wonderfully comforts and strengthens us in our hardships and trials. And why does he do this? So that when others are troubled, needing our sympathy and encouragement, we can pass on to them the same help and comfort that God has given us. II Corinthians 1:3. May we each use our trials as we comfort others!
