LOVE IN ACTION

We soooo appreciate all who give of their time each week to serve. The enemy wants us to believe that our time is so precious that we need to conserve it and take care of ourselves. But serving other people, in the pantry, in small groups, speaking with our neighbors, teaching, whatever we choose to do.....that time is precious and sacred, and God can love people through the time we share. It is not always easy to give our time to others. But when uncomfortable situations show up and keep us from loving others, are we brave enough to be generous with our time, trusting that God has a real purpose in this? If we can offer that HOPE and love to others through our actions, God will indeed grow our church family!
