### **COURAGE TO CHANGE**

We are so sorry so many of you did not take the opportunity to meet and get to know Heidi Skinner a member of the Belpre Church of Christ family. Heidi was the guest speaker for the Courage to Change meeting Thursday, April 19. Heidi told of where she was from and her introduction to Parkersburg, and Vienna, WV, Belpre, OH and the Belpre Church of Christ. Heidi came to our area to attend Ohio Valley University in 2006. She came with two of her friends and enrolled in the university's business department. After several semesters and not doing so well in the accounting aspect of the field, she decided to seek a different major. Her friends had left, but Heidi didn't want to leave the university and the Belpre church. She contemplated a degree in teaching, or Bible, but neither appealed to her so she selected psychology. Heidi graduated from the university with her degree in psychology in 2011. She currently is employed at L&P Services in Marietta. She initially didn't think she had much compassion or empathy for those who had chosen a path of alcohol and or drugs, but God had a different plan for her and she has discovered He has put her in a position to understand people who are suffering with addictions.

### **LOVE IN ACTION**

If there are older teens or young men that would want to rotate the first Saturday of each month to help lift boxes for pantry clients, please see Anita. If we can get more to sign up, it would only mean one Saturday every 4-6 months. Christians should be the boldest people in the world, not sure of ourselves, but sure of HIM! A true disciple does not consider Christianity a part time commitment. He has become a Christian in all parts of his life. He has reached the point where there is no turning back! -A.W. Tozer.- Our prayer is that we as a family take our commitment seriously and live boldly!
