

Greene Street Day Care & Pre-School

The Piqua Area United Way provides support to the Greene Street Day Care & Pre-School each year. The reporting forms require the Center to determine the impact of the program upon the community focusing on four chosen areas: Meeting Basic Needs, Improving Health and Well Being, Helping Youth Succeed and Strengthening Families and Individuals. Our Agency Mission is "To give the child God's best. The goal is to remain pioneers and anticipate the needs of the children of tomorrow. (Rating 1 is the worst, 5 is the best)

Age of Child _____	Question	Strongly Disagree	Disagree	No Response	Agree	Strongly Agree	Comments
		1	2	3	4	5	
Meeting Basic Needs							
	Children engage in group projects and learn from one another						
	Social, emotional and physical development receive special focus in the classroom						
	Requirements for the children's successful entry into the school system are a primary focus.						
Improving Health & Well-Being							
	Communication between teacher and parent regarding child and program is helpful and ongoing						
	My child is developing skills in coordination, movement, balance and perceptual-motor integration (making sense of our world)						
Helping Youth Succeed							
	My child is developing friendships within the classroom setting						
	My child is learning about the world through pretend play, problem-solving strategies, understanding of groupings, and cause and effect.						
Strengthening Families and Individuals							
	There are resources, such as the Greene Street Church food pantry, that I have access to.						
	My child can be offered a free developmental screening by Goodwill Easter Seals.
