Easter Seals Screening...

During the week of November 8-10, we will offer a free developmental screening which will be done here during Pre-school. If you would like your child to participate, which we highly recommend, you will need to fill out the attached consent form and return it to class by Friday, November 4. This test will show you how your child is developing, and may help catch any delays that they may have. Please make sure you fill out the form and get it to us by Friday, November 4.

A Look Back...

We had a lot of learning going on during October. Our field trip to the pumpkin patch was a blast and we had great weather for it this year. We have explored our weekly readers and are beginning to focus on the change of seasons and hibernation. We are still practicing our writing skills with the letter of the week and our names. both residents and our Preschoolers. Thanks to all of the volunteers who helped make our Harvest party a hit!

Special Notes

Our Feast day is quickly approaching. What we will be doing is assigning each family to bring in a food or another item to share. We will eat at approximately 2:00 and parents are welcome to attend.

Birthday's

No November Birthdays.
