

**Doris Retires from Calvary Coffee Hour  
February 2017**

Thank you to Doris Hoyer for your many years of service. Doris you have shared your many talents with the congregation heading up coffee hour with style and grace. The silver will be used during special occasions. Coffee Hour will remain a special time that the church family can enjoy a social time of joy, laughter and just being together. It's a nice time to get to know our visitors too. Come and join us while enjoying a nice hot cup of coffee or a spot of tea. Hope to see you.
