

Congratulations to Pastor Sean who was honored by the Iron Birds Baseball organization in their Home Town Heroes celebration before the game on Friday night! He was honored for his Military service as the Command Chaplain for the MD. National Guard. Nineteen members and friends attended the game to support Sean and Sarah and saw the Iron Birds win the game (as well as fireworks afterward!) A big thank you to Phyllis Cooper for getting the tickets and organizing the event, and thank you to Tammy Geelhaar for the great photos!
