

A message from "our" Chaplain sponsored by Calvary Seniors through Partners in Care

Dec. 22, 2016

Dear Friends,

I want to thank you so much for the many ways you have surrounded me with your loving kindness. Your letters, email, and care package have all been wonderful gifts. I have enjoyed hearing about your families and your fellowship. Many people from home have said they will write or send a package, but few actually do. It means a lot to be remembered.

PFC Williams and I will be in Iraq for another month or so. We are looking forward to Christmas service this weekend. We do not run the chapel here, but we support the programs as time allows. We usually travel more to visit our soldier, but sometimes flights become very limited.

This morning I am going to the gym. We have our annual fitness test on Tuesday next week. Always glad to get that over with!

Thanks again, and God's peace to you.

CH Patty Jenkins
