[Redacted Address]

Dear Chaplain Colonel Sean Lee:

The Board of Directors of the American Baptist Home Mission Societies is pleased to inform you that you have been selected to receive the American Baptist Home Mission Societies' highest recognition for faithful and effective pastoral and spiritual care in the United States military; the **2017 Military Chaplaincy Award**. We have identified you as the 2017 Recipient from a list of distinguished nominees that have come to the attention of our board and staff over the last year. We believe that your work and witness epitomizes the life and spirit of this award as you have strengthened and nurtured military personnel in an exemplary way on behalf of American Baptists and American Baptist Churches, USA.

The Military Chaplaincy Award is formally and publically announced at the American Baptist Churches USA Biennial Mission Summit. This year, the Summit and presentation date will be in Portland, Oregon on July 2, 2017 during the ABHMS luncheon. We do hope that you can join us, at our expense, for the official announcement.

We pray that you are as delighted to receive this news as we are as pleased and proud to honor you. Please confirm that your letter has been received and once we hear from you; my assistant, Felecia Mitchell will be in touch with you to share more information with you to determine how we should best proceed. We look forward to being in dialogue with you soon.

Very truly yours,

Dr. Jeffrey Haggray
