

June 14, 2020

Dear Church Family,

We are prayerfully moving forward to slowly relax restrictions as we are able and as guidelines allow. Please take note of the following as we prepare for next week's gathered worship service.

1. Registration is no longer required for gathered worship. Every-other pew will be available, and families may select their own seats. We ask that you continue to socially distance between other families in the same pew.
2. We ask that you wear a mask whenever you are inside the building but not in your seat. If you are seated or outside, masks are optional. (We will continue to provide masks at the doors.)
3. Children should remain with at least one parent or adult sibling while on campus.
4. Please clear the worship center within 10 minutes of the conclusion of the service. You are welcome to fellowship outside.
5. Limited childcare will be available beginning June 21. [Registration](#) is required. Please plan to arrive early to allow extra time for drop off, and as always, please pick up your children immediately after the service.
6. If you would like to sit in a place with quick entry / exit (to minimize physical interaction before and after the service), you can email Denise for "reserved seating." denise@rockybayoubaptist.org
7. We have thoroughly cleaned our facilities; we also have a volunteer team that will clean the restrooms during the service. Still, it is a safe practice to have as few people in the restrooms as possible, so as a friendly reminder, please help your children use the restroom right before leaving home.

We are grateful for you!
