Greetings Faith Family!

The Faith Presbyterian Church Mission & Outreach Committee is once again collecting school supplies for Pleasant View Elementary School this year. While there is uncertainty as to what the upcoming school year holds considering the current pandemic, the current plan by the Franklin School district is to hold in-person classes five days a week with a virtual schooling option to families choosing to keep their children at home. Even if the supplies are not used right away, the supplies will be utilized as the need arises when students are learning on-site.

*We ask that you review the list below and if you plan to attend the worship service at Lion Legends Park on **August 16th** to bring supplies to donate at that service. If you do not plan on attending the park service but would still like to donate you can do so at the church during the time of our food cupboard distribution this month, on **August 10th or 24th between 4pm and 6pm or on August 26th between 2pm and 4pm**. Supplies will be delivered to the school at the end of the month.
