

CHRISTIAN CARE CENTER

The Christian Care Center, located at 415 West Avenue P, serves our community by providing groceries, clothing, and some minor financial assistance to qualifying people in need. It is open Monday-Wednesday mornings.

Our church assists the Christian Care Center in their ministry in the following ways.

- May and October are designated Christian Care Center months. During these months, our church collects non-perishable food items to help supply the shelves at the Center.
- Our Church gives a monthly financial gift to support this ministry.
- Our church assists Christmas gifting through our Kingdom ministry offering received during the month of November.
- Volunteers are accepted at the CCC. You can also give individually to this important ministry within our community. School supplies, food, and cash are accepted any time during the year.
