Worship 6:30pm sharp!  
Uniform: Rise Up t-shirt  
Class Progressives  
Drill

## Welcome to Pathfinders 2018-2019

Summer is officially over and we begin another Pathfinder year! We congratulate our graduates Rachel Molander and Elon Bontemps, who will be attending Walla Walla University this fall. We thank them for their time and dedication to our Explorer class and are excited to see how God will continue to shine through them. Please keep them and their families in prayer as they make this transition to college life. Our club has gained several new families in the spring time and we are so grateful and blessed to be one of the biggest Pathfinder Clubs in the Southern California conference. We look forward to welcoming all new Pathfinders, as this means more children willing to abide by the Pathfinder Pledge, "To be a servant to God and a friend to man." We are dedicated to this pledge and will do all we can as a Pathfinder Club to grow these young hearts and minds to love the Lord with all their heart! It truly is a privilege and our club leadership is dedicated and ready for the challenge.

We have a very big year ahead and a new face to our leadership team! Stephanie Liongco is joining our club as Co-Director (pending the vote by our church board. Virna will continue in a more administrative role). Ms. Liongco is an alumni of GAA and grew up with the Eagle Rock Pathfinders, earning her Master Guide prior to attending college at Walla Walla

University. She recently earned a Masters degree in Orthotics and Prosthetics at Loma Linda University! Congrats! She is a natural born leader and we are excited with this addition to our leadership team. Stephanie and her family were with our club at the Oshkosh Camporee in 2009 & 2014 and we are excited to plan the 2019 trip under her guidance and direction.

Sunday, October 21 or 28

## Parents we need you!

Parents in order to keep our campus safe during Pathfinder evenings, we require 1 parent assigned to each of the 4 classrooms, and 2 parents at the front desk to monitor the check in and check out. We hope to have at least 2-3 parents assigned to each class so they can rotate to serve, approximately 1 night a month.

Additionally, we will need parents to teach some Honors for the whole group. Please go to [pathfindersonline.org](http://pathfindersonline.org) to look up areas that are of interest to you. Speak to Virna Chan to book a date!

Lastly, we will be assigning potluck teams. If you would like to lead a team or have a team preference, please speak to Virna Chan.

**Thank you!**

## MARK YOUR CALENDARS Pathfinder Campout at Lake Casitas September 14-16 2018

We are so excited for our first Pathfinder camping trip of the year confirmed for September 14-16 to Lake Casitas in Ventura County. Please mark your calendars and watch out for more details to come.

There will be a small additional fee of \$25 per person. Please sign up at the front desk if you will attend. Tents and all meals provided. Details will be distributed in the following weeks via email.
