Venture onto an uncharted island where kids survive and thrive. *Shipwrecked* Vacation Bible School will anchor kids in the truth that Jesus carries them through life's storms! ## BUSINESS UPDATE

### **Highlights from the March 11, 2018 meeting of the ALT:**

- Repairs to the conference room area were discussed; delays in the original timeline for completion are due to the new carpet being on back-order; work is expected to be completed by the end of the month.
- A leak identified in the foyer area ceiling (leading into the Worship Center) is believed to be the result of a plumbing issue; a plumber is expected to be on-site soon to further assess the source of the issue and complete necessary repairs.
- Progress is being made on the assembly of a Benevolence Team. Existing policies and procedures are currently being reviewed and updated as required.
- The team reviewed a revised service contract for the HVAC system; a motion was made to accept the revised estimate and initiate the service agreement; the motion was approved.

## LADIES BIBLE STUDY
