**We’ve Got Your Back(pack)! - School Supply Drive**

**Sunday, July 1 - Sunday, July 22**

Mark your calendars for our 2nd annual community backpack distribution event! “We’ve Got Your Back(pack)” is a chance for us to show love to the children and families in our community and is scheduled for **Thursday, August 4 from 6:30 to 8:30pm** in the FBC gym. This year we will offer haircuts, school supplies, and backpacks for Pre-K through 12th grades.

Here’s where you come in—beginning July 1, an itemized list of school supplies needed for each grade will be available for pick-up in the lobby behind the worship center. Simply purchase the items on the list and drop off the supplies at FBC anytime between July 1 and July 22. For those who are unable to gather supplies, a \$20 donation will help cover the cost of purchasing supplies and a backpack.

**Second Service Launch Update**

First Baptist Church is on the cusp of entering an exciting new season with the launch of a second worship service in the gym on Sunday, September 9th. A launch team has been assembled to plan and execute the addition of the new service and is being lead by Tim Smith. The other team members are Kimber Knight, Scott Lane, Randy Luper, James Lyle, Theresa Outlaw, Brian Ramsey, and Paul Smith. These members are available to help answer questions or hear concerns you may have leading up to our September 9 launch.

## BUSINESS UPDATE

### Highlights from the May 6, 2018 meeting of the ALT:

- The team was updated on the transition of the church's operating and savings accounts to Commercial Bank. A motion was made and approved by all to proceed with the transfer of online giving deposits from Union Bank to Commercial Bank.
- The church constitution requirement for a periodic third-party financial audit was discussed. Given the potential expense of such an audit and the lack of defined scope in the constitution, a team member was designated to solicit price quotes and guidance on scope from auditors for the team's review.
- The team discussed the need for the development of a church policy regarding fundraising activities and agreed that the policy team should present its recommendation to the ALT for review at our next meeting.
- The properties team reported that the leak in the foyer is coming from the bell tower and the roof leak in the pantry area seems to be coming from a roof vent; further inspection and repair is pending; exploration of the cost and potential savings of retrofitting lighting fixtures is ongoing, but initial indications show it to be a viable project.

*Do you have a question, concern, or suggestion? Send an email with your contact information to [ALT@fbcmonticello.com](mailto:ALT@fbcmonticello.com) and a team member will be in touch.*
