

Thank you for joining us today. All are welcome at Christ the Servant and we want to ensure a safe, sacred and comfortable experience for everyone who chooses to worship with us. To help us best serve our members and visitors, we ask you observe the following protocols while you're with us:

Service sign-up: You will be asked to sign up for worship in advance through SignUp Genius (the link is in our weekly email) or by contacting Ellen in the office at 262-542-7100. Signing up in advance will help us know how many people to expect and will provide us with a record of all people attending worship. ***You are still welcome to join us if you have not signed up, but we ask you to do so when at all possible.***

Masks: For the continued safety of all, masks are required to be worn by everyone over the age of three while inside the church.

Greeter: When you walk in the door, a greeter will check off your name if you've registered in advance or will document your name and contact information if you haven't.

Gathering: Please plan on enjoying fellowship outside the building when weather allows. To help us maintain effective mitigation efforts inside the church, please don't gather in the narthex before or after the service.

Seating: Every other pew will be open for seating. People in separate households are asked to maintain at least six feet of distance between themselves and others.

Sharing the Peace: You will be able to share the peace from your seat by waving, giving a peace sign or texting other members. Please save hugs and handshakes for the family members you're sitting with.

Communion: Communion will be offered to all regardless of age or faith tradition. If you'd like to participate, you may pick up a communion pack as you enter the sanctuary. When it's time for communion, you will be invited to remove your mask prior to partaking of the wafer and grape juice. Please replace your mask after you are finished and discard the empty pack as you leave the sanctuary at the end of the service.

Offering: You will be able to leave your offering in a basket outside the sanctuary either before or after the service.

Bathroom The bathroom with a changing table by the sacristy will be open.

Nursery: The nursery will not be available.

Community: To demonstrate love and care for one another, we ask you follow all these protocols until conditions allow us to change them. If you aren't comfortable following them, we ask you please worship with us via our livestream on Facebook Live.
