Praise the Lord for bringing parents from our school together to form the leadership of the school.

Praise the Lord for His providing for our needs every month!

Please pray for our plans to be in America this summer. It is hard to make these plans from so far away... we need wisdom to purchase airplane tickets and plan trips.

Pray for oldest two as they enter 7th and 8th grade in a local school to adapt well to the culture and language and material in the school.

Praise the Lord for our family's health, strength, protection, and love.
