

Congratulations to our Pioneer Class

We have some exciting news to share as we begin the new year; The Kenya National Exit Exams for Form Fours (12th grade) in Kenya came out a couple weeks ago, and our pioneer class at Tumaini International Girls High School performed exceptionally well! This is especially significant when you compare the results with those of other schools in the region, and indeed the entire country.

As an organization, Tumaini had a total of 93 candidates attending 40 different high schools across the country in 2018. Out of the 93, 16 performed exceptionally well to join top performing public universities. **Twelve (12) of the 16 are from our girls high school!** Even more impressively, out of 74 high schools in the Mwala Sub-county where our school is located, **our school was placed in position 5**, thus out-performing some very well- known and established high schools. This is an exceptional performance, especially for a new school.

This stellar performance confirms our long-held hope and reason for the school; If you provide vulnerable children with a positive and conducive environment, qualified teachers and administrators, and offer all necessary learning equipment, they will perform well and create for themselves a pathway to breaking the vicious cycle of poverty.

Many of you have visited the

school and provided encouragement in a variety of ways. Others have supported the school in prayer and finances. This is your success as well.

More importantly, you have enabled us to mold very vulnerable girls in character, competence, and confidence and they are ready to move on and make something significant out of their lives. No doubt some of these girls will change the world wherever they will end up serving.

I look expectantly to a new year and for more opportunities to impact vulnerable kids. I know you will join me in this great endeavor.

Happy and blessed 2019!

Stanley Mutunga,
President/CEO
