WORLD ORPHANS presents WORSHIP AND JUSTICE TOUR

Join us on April 25 at 7 pm, here at Faith Reformed Church, as World Orphans brings us the Worship and Justice Tour. Hear the stories of justice through worship with Aaron Boyd, song writer of "God of this City." Be inspired with a message of hope by Grant McCartney, American Ninja Warrior.

With all the problems in the world why does World Orphans put so much emphasis on the orphan? Imagine a world faced with catastrophic issues such as extreme poverty, disease, starvation, human trafficking, and the exploitation of child soldiers. At the core of those issues is one common link – the orphan. It is estimated that there are approximately 150 million orphans in the world. God speaks of his love for orphans more than forty times throughout scripture. What better way to tap into the heart of God than to care and defend the cause of orphaned and vulnerable children. Come hear more incredible stories of how World Orphans is making a difference across the globe. www.worldorphans.org

Together we will take some time to look at the question, "Who does Jesus claim to be?" Join us on these Sundays as we learn more about who Jesus truly is and what he came to this earth for.
