### communion

This worshipful door to the grace of our Lord is open to all believers. You don't have to be a member of Faith Reformed Church. The Bible is clear, however, that communion is an experience that is set apart for anyone who has a personal relationship with Jesus Christ and is living out that relationship. It is open to anyone who has recognized the gap between their life and God caused by sin, has asked for forgiveness and turned away from sin and has invited Jesus Christ to take the Lead position in all that their life holds.
