

PASTORAL SEARCH UPDATE

JULY 26, 2018

Here's the latest information available on work being done by the Search Team as they seek candidates for the position of Lead Pastor at Faith Reformed Church.

- ◆ Faith Reformed Church's profile has been uploaded to the Reformed Church in America website and is available for potential candidates to view.
- ◆ Our Search Team met on July 24th as a team and has begun the process of identifying the criteria by which candidates will be selected for review.
- ◆ We have received ten inquiries or resumes from pastors interested in pursuing a conversation about the position.

The Search Team covets your prayers as they continue in the mandate they have been given by the Consistory of Faith Reformed Church. If you have any questions about the progress of the search or the search process itself, please direct those questions to members of Consistory and not members of the Search Team directly. Thank you.
