

PASTORAL SEARCH UPDATE

NOVEMBER 6, 2018

Here's the latest information available on work being done by the Search Team as they seek candidates for the position of Lead Pastor at Faith Reformed Church.

October was a busy and productive month for the Search Committee. We had initial conversations with a number of candidates and look forward to pursuing further conversations with a few of them over the coming months. That being said, we continue to receive and review new applications as well. We are grateful for your prayers and words of encouragement as we try to discern God's will and direction for Faith Reformed.

The Search Team loves your prayers as they continue in the mandate they have been given by the Consistory of Faith Reformed Church. If you have any questions about the progress of the search or the search process itself, please direct these questions to members of Consistory and not members of the Search Team directly. Thank you!
