(To Know Christ and to make Him Known)

YO FROM DREW!

This season is all about gifts. Does that surprise you to hear me say that? Did you expect me to say, it's all about Jesus? Well, you would be right, it is all about Jesus. And right now I would encourage you to see how Jesus as a gift. So often we think of Jesus as our Savior, our King, and our Messiah. These are completely true, and we should see him like this, for that is who he is. But for this time of year think of Jesus as a gift, THE GIFT. He came to us as a surprise, wrapped, and with our names on his heart. Sounds a lot like a gift doesn't it? And so, may you move into this season with open hands to receive the best gift you have even been given. Receive this perfect gift, who is Jesus, with great thankfulness.
