

FAITH YOUTH GROUP

2018-2019

*(To Know Christ and
to make Him Known)*

YO FROM DREW!

From where I sit 2019 will hold big moments for me. The church will likely have a new senior pastor... my boss! Brittany and I will be finalizing our adoption for our son Ben. I will be graduating from seminary in May and hope to finish ordination exams in the months that follow. And who knows what else might happen. And it's this unknown that can cause me to be anxious and feel discomfort. Some of you will be graduating as well and starting college. Others of you might be moving, will see changes in your family, or might experience something amazing happen in your life.

Who knows what God has in store for us. However unsettling this is, we can trust that "God causes all things to work together for good to those who love God, to those who are called according to His purpose" (NASB Rom 8:28). This reminds me that even if you see what might happen in the future God calls us to trust and be ROOTED in his word. Sometimes this simply means taking the right next step. For me, it means persevering and finishing strong. What about you? What is the next right step for you as you move towards your goals?
