## AWESOME STUFF!

The Bake Sale held after service on January 28, which was put on by one of our student-led Missional Groups, raised over \$500! The money was used to purchase all these gloves, socks, and toiletries for Traverse City's homeless population. Amazing job, guys!

## YO FROM DREW

March is the time of year that we begin to see subtle changes in the weather as Spring comes closer and closer with each passing day. Similarly, Lent is a time we remember Jesus moving closer to his death on the cross and resurrection from the grave. In this spiritual season, we begin to see signs of life as Jesus brings about freedom from sin and death. I hope you, like the seasons we are in, are moving closer to life. This is sure to happen as we move closer to Jesus, who is the power source to an electric life. If you have lost your charge, plug back into prayer and the Bible to discover a fresh current of energy for your life.
