The Music Ministry Team consists of the Music Team (instrumentalists & singers), the Tech Team (audio/visual), and the Praise Chorus. Rehearsals take place either on Wednesdays @ 6:30-8:45pm (weekly--for the music & tech team) or Thursdays @ 6:45-8:00pm (twice monthly—for the Praise Chorus).

We desire to create an experience that draws others into a place of praise & worship of the Lord, Jesus Christ; prepares all of our hearts to hear, experience, & act upon the Word of God; and inspires everyone to live an everyday life of worship to God. Everyone who participates on the team is expected to have an active relationship with Jesus and be willing to share what God is teaching him/her so that we can all grow alongside each other. There is no room for ego here. We are first and foremost a team that serves—the Lord (through worship), the congregation (through leading music), and each other (through our commitment & sharing life together).

Much like a “small group” within the church, we’re also a team that “does life” together. Once in a while, we have outside events that help us get to know one another & build unity. These events may include training sessions or tutorials, potlucks, jam sessions, and worship nights. While these events are not mandatory, everyone is highly encouraged to make every effort to attend.

Finally, personal preparation is held in high regard. Music sounds best when we are fully prepared; **so rehearsing on your own is a must.** Musicians typically have access to the music two weeks in advance, so you’ll have ample time to fully prepare before rehearsals. So if you’re feeling led to get involved, help us get to know you better through the questions below!

TELL US ABOUT YOU!

1. Understanding your spiritual journey is important to us. Tell us about your personal faith story.

ALL MUSICIANS:

8. How well do you read music? If you're an instrumentalist, can you follow a lead sheet? If you're a singer, can you sight-read from a musical staff and/or play your part on a piano or guitar to learn the notes on your own?

INSTRUMENTALISTS:

9. Which instrument(s) do you play best and are most interested in playing on Sundays with the team? Are you comfortable playing a solo on your instrument-- either during a worship song or as a featured song (as an offertory or prelude/postlude)?

VOCALISTS:

10. What is your voice range?

12. Would you be comfortable as a "section leader" if we need to break into groups to learn parts in sections? Do you play piano well enough to accurately play one part at a time? Multiple parts at a time?

13. If you are interested in singing a solo (or duet, trio, etc), tell us why.
