*“by canceling the record of debt that stood against us with its legal demands.  
This he set aside, nailing it to the cross.”*

**Colossians 2:14**

In a nation so deeply divided on so many topics, we find a way to come together at the holidays. Whether that be watching a football game together - 40+ million of us will do that on Thanksgiving or eating or the eating of turkey - estimated at nearly 90% of us. But perhaps the one that tops them all is the giving of gifts and it all starts with Black Friday.

From the Friday after Thanksgiving to the Cyber Monday it is estimated that close to 60% of us will shop the deals, spending nearly \$700 each. All that holiday spending will result in over \$100 billion for retailers! That's what makes it Black Friday, because it is the day that retailers finally make a profit for the year as their books enter the black.

Isn't it ironic though that for the retailers to enter into the black and finally make a profit, many of us will see our budget drop into the red!

So it was on another Friday, a Good Friday. As Paul recounts in Colossians, our debt was canceled and set aside. Our account was finally balanced and in the black. And all of it possible by **“nailing it to the cross.”** All at the cost of Jesus blood, the debt of our sin written in red across His battered and broken body.

As our nation is busying buying gifts for the holiday season, we remember a child laid in a manger. And instead of just being filled with peace as we peer into the eyes of a newborn child, we remember that the reason He was born in the first place was to give us a Black Friday of sorts as all our debts are canceled and sins forgiven.

Many blessings this special time of year.

Pastor Steve

## PRAYER FOCUS

### DECEMBER// TREE OF LIFE

This year we are serving over 75 children and their families through our Tree of Life Program, including children served by Chaddock. Pray for the ingathering and distribution of gifts that all goes according to plan. Pray that the gifts we provide will bring joy to these families. Pray that we can share the gift of Jesus and that each of them would find their hope in the manger and cross.
