

FAMILY CAMP WEEKEND

August 31-September 2, 2018

**Imagine a weekend away with the family in a setting where
there is something to make everyone happy!**

... No jumping back in the car to drive here or there because everything is onsite.

... No digging out your wallet for every added attraction and meal because it's all included.

We think you'll find the price very affordable with a variety of lodging options to consider. There's even an option to cut lodging cost in half by sharing a cabin with another family. Whatever options you choose, you can be sure that your weekend will be packed with fun and adventure, new friendships and the kinds of great experiences you've come to expect from Camp Dixie!
