

Essential Summer Camp Information and Policies

Registration Office All correspondence and inquiries regarding registration should be directed to the address or phone number below. Registration for weeks of camp sponsored by other organizations later in the summer is handled directly through the sponsoring organization.

Camp Schedule Five-day sessions begin on Sunday afternoon at 3 p.m. and end on Friday afternoon at 3 p.m.

Forms Once you register your child via our online system, you will see a list of the additional online forms we will need filled out for your child. You will be able to log in to your account to work on completing these forms at your convenience. Save your work each time and return to it at any time. The only piece of paper you'll need to provide to us is a copy of your child's physical completed by a doctor, which you can scan and upload to your online account!

Parent Information Booklet You will receive an *Info Booklet* via email detailing our registration, arrival procedures, and departure procedures for your children. It will also contain details of what to bring, and other important information designed to prepare you and your child for the best possible Camp Dixie experience! The *Info Booklet* is also available on our website.

Grade/Age Bracket Campers must stay within the appropriate grade bracket based on the grade entering in the fall of 2018. If a child has been held back in school, parents may choose between letting the child move up or keeping them in the grade bracket.

Cabin Bunk Mate Campers may request one camper of the same gender on their application with whom they would like to room. Multiple choices will not always be feasible.

Inclusion of Campers with Special Needs

The Inclusion Form can now be completed online when registering! Once we receive this, our inclusion coordinator will contact you for more information to help us make sure we can meet the needs of your child in the camp setting. We need to have these forms in our office by **April 15** so that we can reserve the housing and staff support necessary to ensure a positive experience for your child. For returning campers with special needs, we need the Inclusion Form filled out each year in order to respond appropriately to the needs of your child as they grow and mature.

Refunds/Cancellations The \$30 deposit required to register your child for summer camp is non-refundable and non-transferable. If cancellation is necessary prior to camp, we will refund all but the \$30 deposit. For Super Kids' Retreat, \$10 of the fee is non-refundable.
