

Silent Auction

As part of our annual Harvest Day fundraising efforts, we will again have a Silent Auction. Items for the auction are placed on a table and anyone wanting to bid can write their name beside the item with the amount they want to bid. People can bid as many times as they would like.

We request that all items for the auction be new items. Please do not bring yard sale items. Items can include but are not limited to the following:

- Baked goods, candy or other food items
- Tools
- Decorative or Handcrafted items
- Appliances
- Plants & Shrubbery
- Services to be provided
- Dinner for two

If you obtain an item for the auction from a local business or individual, please ask them to help you fill out the information below so that we can thank them. Be sure and let them know that Camp Dixie is a non-profit organization and we would be happy to send them a tax-deductible receipt for their donation.

Questions? Email registration@campdixie.com or call 910-865-5180. To speed up the check in process at the Silent Auction table, please have all information below filled out ahead of time!
