HOUSE OF PROMISE SUNNYSLOPE PROGRAM APPLICATION

PROGRAM INFORMATION

House of Promise Sunnyslope (HPS) is a program offered by House of Refuge Sunnyslope. We provide long-term assistance to single women who make a strong commitment to overcome past problems and focus on developing the appropriate skills to recover from homelessness. Program participants will benefit from a personalized program designed to achieve the ultimate goal of being self-sufficient with no government assistance.

House of Promise Sunnyslope is a faith-based program supported by a dedicated staff and a group of volunteers from local churches. Each woman will participate in individualized case management to develop both short-term and long-term goals. The case manager will create a specific plan for each participant based on spiritual, financial, emotional and physical needs. Regular meetings will be held to assure the participant is performing the expected activities and to monitor goals. The participating woman must have a genuine desire to succeed and with the guidance and encouragement of the support staff, we sincerely believe anyone can learn to deal with life's obstacles in a positive and productive manner.

Women can remain in the House of Promise Sunnyslope Program for up to 24 months as long as the rules and regulations are followed and as long as a determined and steady progression to reaching their goals is demonstrated.

Our Mission - Our main focus is to provide a safe and sober transitional living environment that can restore men, women and single moms through full-time work, the Bible, and fellowship with each other.

Our Vision - Through the power and love of Jesus Christ, we are here to encourage, equip and help transform our residents into the healthy, productive men and women that God intended them to be.
