### “How to Un-Hurry” (by John Mark Comer)

In the “Barriers to Discipleship” teaching focused on “time,” Ryan LaTour references a document meant to help us un-hurry our lives by developing the practices of: Silence and Solitude, Sabbath, Simplicity and Slowing. Pick up a copy at a gathering or [online here](#).

**Barriers to Discipleship:** What might be a barrier keeping you from discipling others? Are there lies you are believing? Misplaced priorities? Fears you have that leave you feeling unequipped? We’d love to process with you how you can overcome that barrier.
