

NEW FAMILY HARVEST CHURCH BUILDING

Specifics that I foresee for a New Church Building.

- Size: 20,000 sq ft. – current building is just under 16,000 sq ft.
- Lot size – 8-10 acres. This allows for adequate parking and other things. (See outside ideas.)
- Sanctuary size with backstage – seating for 250-350 people.
- Youth Room – 15 x 40 – 600 sq ft
- Children's church – 15 x 40 – 600 sq ft
- Nursery and Preschool – 15 x 30 x2 – 450 sq ft each
 - Bathroom in each room, to be in the same area, preferably next to each other.
- 2 classrooms – 10x20ea – 200 sq ft ea
- Fellowship Hall – 30x30 – 900 sq feet.
- Industrial Kitchen – 15x20 –
- Prayer room – 10x12
- Atrium – 12x15
- Foyer – 30 x 30
 - Info Center/welcome
 - Café?
 - Decorated with couches and comfy chairs, tables etc.
- 2 Each men and women's main bathrooms
- Baptismal
