Welcome to Harvest

Church! We hope you're finding your feet in this fantastic city. There's a great spiritual heritage here in Newcastle and it's great that you're looking to be part of it. Hopefully you'll soon find a home in one of the many brilliant churches across the area. You're welcome to visit us at International Harvest Church anytime.

Student life at Harvest

Harvest is led by Pastors Clive and Sally Harding and it's a faith, family and fun filled church that meets close to St James Park. We support students in their faith in different ways.

Students at Harvest Church are welcomed into city groups that meet in homes around the city for community and discipleship (as well as food and fun!). ➡

Running alongside church life, we do student specific socials and events like trips, meals, ceilidhs and the occasional game of hide and seek around the church building. The church is a friendly and relaxed community of people from all sorts of places, at different stages of life who come together to love and serve Jesus. Students are so welcome to get stuck in and serve in a range of teams at Harvest such as worship band, welcome, refreshments, media, sound, live-streaming and kid's church.

Main meetings

Our meetings are every Sunday at 10.30am and last about 1 hour 30mins. Each week we have Holy Spirit-led worship and a Bible-based word. Free refreshments are served after the service so we tend to stay around for a while to grab a cup of coffee and chat.

Student Lunches

If you come along in the next few weeks, we'd love to invite you back with us to a family home to hang out and eat some good (free!) food - & we'll make sure you get home again after! You'll get plenty of dinner invites later in the year too!
