February

Welcome back to month #2. Have you fallen behind already? Don't fret too much about it. Just begin reading today's lesson and move on from there. Then, on the Lord's Day, when you have a break, go back and catch up on what you've missed.

Who was Paul? His is an amazing story, isn't it? Every-thing about Paul was exceptional – his pure breeding and up-bringing, his thorough training and brilliant mind, his “Damascus Road” conversion, his Spirit-filled zeal for Christ and the Church, and his burden to bring the Gospel to bear to all practical matters in our lives.

Jesus had chosen simple men, young and uneducated men, to be his disciples. It was important to manifest His wonderful glory in vessels that were unimpressive in the sight of the world. But God held Paul on the sidelines so that he might bring in his incredible gifting and education at just the right time. And with the inspiration of the Holy Spirit, Paul took that straightforward message of Christ, and the simple testimonies of his disciples, and magnified it into a Gospel that would trans-form the world.
