

# SWYM Mexico Trip Fundraising Form

This letter is to confirm that the student standing at your door is indeed with SunWest Christian Fellowship! Our students are doing a fundraiser to raise money for our annual Mexico trip with Amor Ministries.

From March 23rd to April 2nd, we will be taking van loads of students down to Tijuana Mexico to build houses for families in need. Throughout our 21 years we have built over 100 homes. By supporting this student you will be helping them serve a deserving family by building them a new home.

Thank you!
