

Some practical tips for leading a Bible study

#1 Don't try to do everything yourself. Ask other Bible study leaders questions you have. Find a partner to lead the Bible study with you. Invite others to share their testimonies.

#2 Check out the Bible Project! They have animated videos covering each book of the Bible, which are very good for Bible study introductions. You can find them at bibleproject.com.

#3 Be flexible and have fun! Plans change. Roll with it. Enjoy this time, and others will too.
